**REQUEST FOR A CERTIFICATE
OF CORRECTION UNDER 37
C.F.R. §1.322**

Patentee respectfully requests that a Certificate of Correction be issued for the above-identified U.S. Patent correcting the Patent in the manner described in the enclosed "Certificate of Correction," Form PTO/SB/44.

No fee is necessary for this Certificate of Correction, since this request is being filed pursuant to 37 C.F.R. §1.322. The following documentation is being submitted to show that the errors sought to be corrected are attributable solely to the Office under 37 C.F.R. §1.322:

- Excerpts (3 pages) from the original specification filed in this application, including handwritten annotations to point out the basis for the first three corrections made in Form PTO/SB/44.
- The last amendment to the claims entered in the application (17 pages), dated June 30, 2005. This amendment is also annotated to point out the basis for all of the remaining corrections made in Form PTO/SB/44. All of the remaining corrections involve the claims.
- A communication (1 page) from the Examiner showing that the June 30, 2005 amendment was the last amendment entered in the application.

Accordingly, it is believed that this request for a Certificate of Correction qualifies for expedited processing.

Certification Under 37 C.F.R. §1.8
I hereby certify that this document is being transmitted through EFS-Web on the date indicated below.
